

NOTICE OF CHANGE TO A PROPOSAL FOR A RENEWABLE ENERGY PROJECT

Project Name: Bluewater Wind Energy Centre

Project Location: Bluewater and Huron East, Huron County, Ontario

Project Location: The proposed Project is located in Huron County, within the Municipalities of Bluewater and Huron East, as shown in **Figure 1** below

Varna Wind, Inc., a wholly owned subsidiary of NextEra Energy Canada, ULC, is planning to engage in a renewable energy project which requires the issuance of a renewable energy approval. The proposal to engage in the project and the project itself is subject to the provisions of the Environmental Protection Act (ACT) Part V.0.1 and Ontario Regulation 359/09 (Regulation). The Renewable Energy Approval Application for this Project was submitted to the Ministry of the Environment (MOE) on June 26, 2012. The MOE screened the submission according to the requirements set out in Regulation and the application was deemed complete on August 31, 2012.

This notice is being distributed at the request of the MOE to advise of recent modifications proposed to the Project design. The following list highlights the proposed modifications and the associated figure (**Figure 1**) depicts the corresponding locations.

1. Removal of Turbine 20
2. Addition of a meteorological tower
3. Relocation of access roads and collection lines in several locations
4. Relocation of transmission line from municipal right-of-way to private property in several locations
5. Relocation of point of interconnect from the Seaforth Substation property to private property
6. Relocation of project transformer substation within same property
7. Addition of crane path during construction

In total, twenty-eight (28) modifications are proposed to the Project as a result of land owner requests and technical considerations. A Project Modification Report in addition to Addenda to the associated Renewable Energy Approval Reports will be available on March 13, 2013 for public inspection on the Project Website, www.NextEraEnergyCanada.com, and at the following locations:
