 - Other, please specify: _____

2. What questions or concerns did you have about the Jericho Wind Energy Centre project?

- the high cost of power to be passed on to the consumer
- the purchase of turbines and related goods not made in N. Canada or the U.S.A.
- the high payments made to landowners to facilitate the project
- the obstruction of views in a tourist region.

3. Were your questions/concerns answered to your satisfaction? If no, please explain.

There needs to be a proper public disclosure and a chance for debate.
Many questions need to be answered.
Do not continue with the science fair format unless you have more than posters to share.

4. What remaining questions or concerns do you have about this project?

- location of turbines must be away from the lake.
