RE: Modifications to Summerhaven Wind Energy Centre Project

Dear Mr. Bird,

The Ministry of Natural Resources (MNR) has received the document dated April 2013 that describes modifications to the Summerhaven Wind Energy Centre Project made subsequent to MNR's letters confirming and re-confirming the Natural Heritage Assessment in respect of the project.

Upon review of the modifications, MNR is satisfied that the Natural Heritage Assessment requirements of Ontario Regulation 359/09 have been met. Please add this letter as an amendment to the confirmation letter issued May 30, 2011 and re-confirmation letters dated June 29, 2011 and October 25, 2011 for the Summerhaven Wind Energy Centre.

If you wish to discuss, please contact Joe Halloran at joe.halloran@ontario.ca or 705-755-3225.

Sincerely,

A handwritten signature in blue ink that reads "Kazia Millan".
