Subject: RE: Letter - Refinements to Summerhaven Wind Energy project
Date: Wednesday, May 22, 2013 5:35:26 PM

Chris,

Thank you for providing us with the documentation regarding the most recent project refinements. Your letter from May 21, 2013 captures the various project refinements, and corresponding written comments and responses you have received from MTCS.

The ministry has reviewed the submitted documentation related to the most recent project refinements. These changes do not affect the recommendations of the May 2012 version of the report (Version 4), including Appendix C. As a result these changes do not affect the comments provided by the ministry in the letter dated June 19, 2012. Therefore, a new MTCS written comments letter is not required.

If further changes to the project layout take place, please continue to keep our office informed.

Regards,
Paula
