

NOTICE OF FINAL PUBLIC MEETING

**To be held by NextEra Energy Canada, ULC regarding
A Proposal to Engage in a Renewable Energy Project**

Project Name: Summerhaven Wind Energy Centre (formerly known as the Nanticoke Wind Farm)

Project Location: The project site is located in the vicinity of Nanticoke, in Haldimand County, Ontario. The figure below identifies the proposed area within which the project will be located, near the shore of Lake Erie, south of Hagersville where Highway 20 and Highway 6 intersect.

Dated at: Haldimand County this the 30th of September, 2010.

NextEra Energy Canada, ULC in conjunction with TCI Renewables is planning to engage in a renewable energy project in respect of which the issuance of a renewable energy approval is required. The distribution of this notice of final public meeting and the project itself are subject to the provisions of the *Environmental Protection Act (Act)* Part V.0.1 and Ontario Regulation 359/09 (Regulation). This notice must be distributed in accordance with section 15 of the Regulation prior to an application being submitted and assessed for completeness by the Ministry of the Environment.

Meeting Location

Date: December 7, 2010

Time: 5 p.m. to 8 p.m.

Location: Jarvis Community Centre
18 James Street, Jarvis, Ontario

The meeting will be in an Open House format allowing attendees to visit any time during the event.

Project Description

Pursuant to the *Act* and Regulation, the facility, in respect of which the project is to be engaged in, is a Class 4 Wind Facility. If approved, this facility would have a total maximum name plate capacity of up to 135.5 MW. The project location is described on the map below.

Documents for Public Inspection

The Draft Project Description titled "Project Description Report: Summerhaven Wind Energy Centre" describes the facility as a project that will involve the construction, operation and eventual decommissioning of up to 61 wind turbines with ancillary facilities including step-up transformers, transformer substation, electrical collector systems, turbine access roads, meteorological tower and construction staging areas. A written copy of the Draft Project Description Report was made available on the Nanticoke Wind Farm website (www.nanticokewindfarm.ca) on November 20, 2009.

Further, NextEra Energy Canada has prepared the following supporting documents in order to comply with the requirements of the *Act* and Regulation:

Construction Plan Report; Design and Operations Report; Decommissioning Plan Report; Wind Turbine Specifications Report; Natural Heritage Report; Stage 1 Archaeological Assessment Report; Heritage Assessment Report; Noise Study Report; and Water Assessment Report.

Written copies of the draft supporting documents will be made available for public inspection on October 6, 2010 at the Haldimand County office in Cayuga at 45 Munsee Street North and on our website at <http://www.CanadianWindProposals.com>. Written copies will also be available at the public open house.

We welcome comments about our project at any time. However, only comments received on or before December 9, 2010 will be included in our Public Consultation report to the Ministry of Environment.
