

NOTICE OF PUBLIC MEETING AND PROPOSAL TO ENGAGE IN A RENEWABLE ENERGY PROJECT

Project Name: Nanticoke Wind Facility

Project Location: The project site is located in the vicinity of Nanticoke, in Haldimand County, Ontario. The figure below identifies the proposed area within which the project will be located.

Dated at: Haldimand County this the 17th of November, 2009.

Air Energy TCI (AET) Inc is planning to engage in a renewable energy project in respect of which the issuance of a renewable energy approval is required. The distribution of this notice of a proposal to engage in this renewable energy project and the project itself are subject to the provisions of the *Environmental Protection Act (Act)* Part V.0.1 and Ontario Regulation 359/09 (Regulation). This notice must be distributed in accordance with section 15 of the Regulation prior to an application being submitted and assessed for completeness by the Ministry of the Environment.

A Notice of Commencement for an Environmental Screening was originally issued by AET in October 2008 under the *Environmental Assessment Act* and Ontario Regulation 116/01. The project will now follow the new Renewable Energy Approval (REA) process according to the new Regulation.

Project Description

Pursuant to the *Act* and Regulation, the facility, in respect of which the project is to be engaged in, is considered to be a Class 4 Wind Facility. If approved, this facility would have a total maximum name plate capacity of up to 199 MW. The project location is described on the map below.

This project is being proposed in accordance with the requirements of the *Act* and Regulation. The Draft Project Description titled "Project Description: Proposed Nanticoke Wind Facility" describes the facility as a project that will involve the construction, operation and eventual decommissioning of up to 133 turbines. The construction phase will require the installation of the wind turbines, substation, temporary and permanent access roads, cabling, and other ancillary works. Site plan and layout options for the proposed project are currently being developed by AET and will be finalized during the REA process.

Documents for Public Inspection

A written copy of the Draft Project Description Report will be made available at the Haldimand County office in Cayuga and the Six Nations of the Grand River and Mississaugas of the New Credit Band offices. The Draft Project Description Report will also be available on the Nanticoke Wind Facility website (www.nantickewindfarm.ca). Environmental studies associated with this project have been underway for the past 12-18 months and we expect to release these draft reports in support of our REA application before the New Year. Information about these studies will be available at the upcoming public meeting.

Public Meeting

Date: Monday December 21, 2009

Time: 4 p.m. to 8 p.m.

Location: Jarvis Community Centre,
18 James Street, Jarvis, Ontario

NOTICE OF FINAL PUBLIC MEETINGS

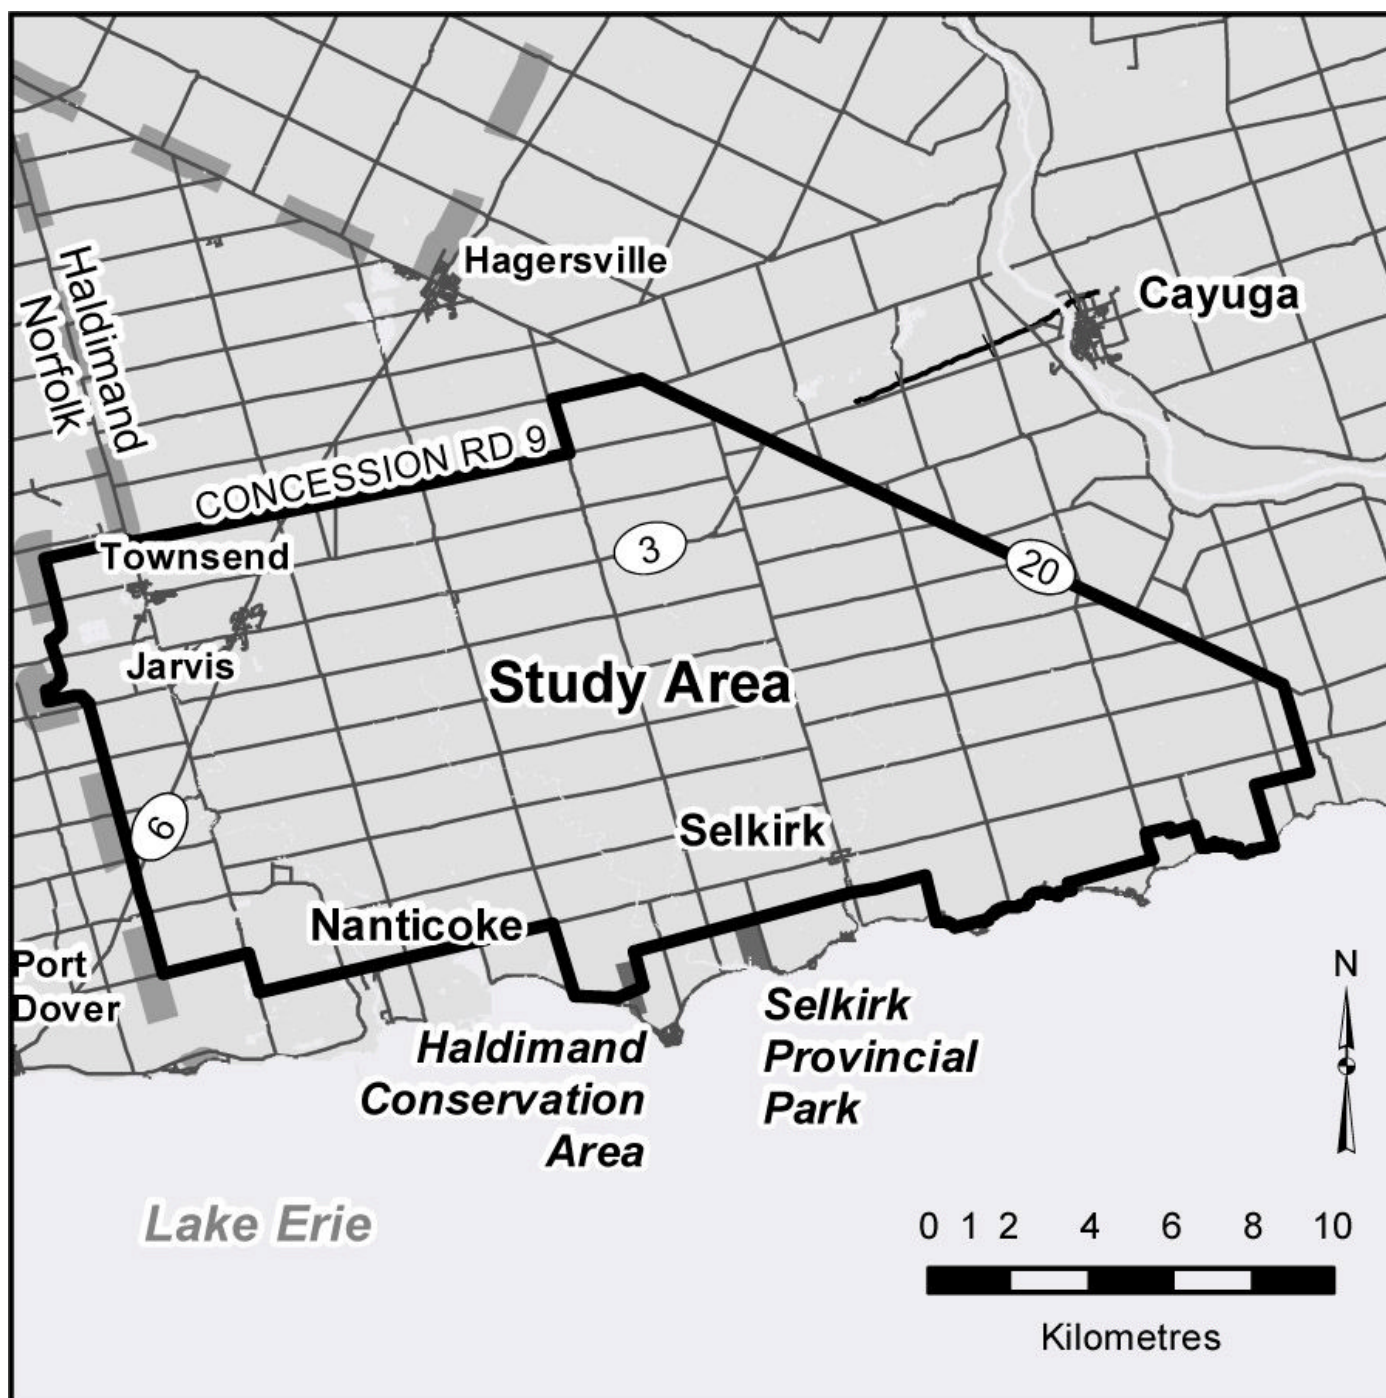

To be held by NextEra Energy Canada, ULC regarding
A Proposal to Engage in a Renewable Energy Project

Project Name: Summerhaven Wind Energy Centre (formerly known as the Nanticoke Wind Farm)

Project Location: The project site is located in the vicinity of Nanticoke, in Haldimand County, Ontario. The figure below identifies the proposed area within which the project will be located, near the shore of Lake Erie, south of Hagersville where Highway 20 and Highway 6 intersect.

Dated at: Haldimand County, this the 1st day of December, 2010.

NextEra Energy Canada, ULC in conjunction with TCI Renewables is planning to engage in a renewable energy project in respect of which the issuance of a renewable energy approval is required. The distribution of this notice of final public meeting and the project itself are subject to the provisions of the *Environmental Protection Act (Act)* Part V.0.1 and Ontario Regulation 359/09 (Regulation). This notice must be distributed in accordance with section 15 of the Regulation prior to an application being submitted and assessed for completeness by the Ministry of the Environment.

Meeting Location

Date: December 7, 2010

Time: 5 p.m. to 8 p.m.

Location: Jarvis Community Centre
18 James Street, Jarvis, Ontario

The meetings will be in an Open House format allowing attendees to visit any time during the event.

Project Description

Pursuant to the Act and Regulation, the facility, in respect of which the project is to be engaged in, is a Class 4 Wind Facility. If approved, this facility would have a total maximum name plate capacity of up to 135.5 MW. The project location is shown on the map on the previous page.

Documents for Public Inspection

The Draft Project Description titled "Project Description Report: Summerhaven Wind Energy Centre" describes the facility as a project that will involve the construction, operation and eventual decommissioning of up to 61 wind turbines with ancillary facilities including step-up transformers, transformer substation, electrical collector systems, turbine access roads, meteorological towers and construction staging areas.

A written copy of the Draft Project Description Report was made available on the former Nanticoke Wind Farm website (www.nanticokewindfarm.ca) on November 20, 2009.

Further, NextEra Energy Canada has prepared the following supporting documents in order to comply with the requirements of the Act and Regulation:

Construction Plan Report; Design and Operations Report; Decommissioning Plan Report; Wind Turbine Specifications Report; Natural Heritage Report; Stage 1 Archaeological Assessment Report; Heritage Assessment Report; Noise Study Report; and Water Assessment Report.

Written copies of the draft supporting documents have been made available for public inspection since October 6, 2010 at the Haldimand County office in Cayuga at 45 Munsee Street North and on our website at <http://www.CanadianWindProposals.com>. Written copies will also be available at the public open house.

We welcome comments about our project at any time. However, only comments received on or before December 9, 2010 will be included in our Public Consultation report to the Ministry of Environment. If you have comments after our December 7th public meeting, please contact us to arrange for your comments to be picked up.

NOTICE OF ADDITIONAL FINAL PUBLIC MEETINGS

To be held by NextEra Energy Canada, ULC regarding A Proposal to Engage in a Renewable Energy Project

Project Name: Summerhaven Wind Energy Centre (formerly known as the Nanticoke Wind Farm)

Project Location: The project site is located in the vicinity of Nanticoke, in Haldimand County, Ontario. The figure below identifies the proposed area within which the project will be located, near the shore of Lake Erie, south of Hagersville where Highway 20 and Highway 6 intersect.

Dated at: Haldimand County, this the 9th day of December, 2010.

NextEra Energy Canada, ULC in conjunction with TCI Renewables, is planning to engage in a renewable energy project in respect of which the issuance of a renewable energy approval is required. The distribution of this notice of final public meetings and the project itself are subject to the provisions of the *Environmental Protection Act (Act)* Part V.0.1 and Ontario Regulation 359/09 (Regulation). This notice must be distributed in accordance with section 15 of the Regulation prior to an application being submitted and assessed for completeness by the Ministry of the Environment. This public meeting is a follow up to the two previous meetings that were held on December 21st, 2009 and December 7th, 2010.

Location of Meeting

Date: January 10, 2011

Time: 5 p.m. to 8 p.m.

Location: Fisherville District Lions Community Centre
18 Main Street W, Fisherville, ON N0A 1G0

The meetings will be in an Open House format allowing attendees to visit any time during the event.

Project Description

Pursuant to the *Act* and Regulation, the facility, in respect of which the project is to be engaged in, is a Class 4 Wind Facility. If approved, this facility would have a total maximum name plate capacity of up to 135.5 MW. The project location is shown on the adjacent map.

Documents for Public Inspection

The Draft Project Description titled "Project Description Report: Summerhaven Wind Energy Centre" describes the facility as a project that will involve the construction, operation and eventual decommissioning of up to 61 wind turbines with ancillary facilities including step-up transformers, transformer substation, electrical collector systems, turbine access roads, meteorological towers and construction staging areas.

A written copy of the Draft Project Description Report was made available on the former Nanticoke Wind Farm website (www.nanticokewindfarm.ca) on November 20, 2009.

Further, NextEra Energy Canada has prepared the following supporting documents in order to comply with the requirements of the *Act* and Regulation:

Construction Plan Report; Design and Operations Report; Decommissioning Plan Report; Wind Turbine Specifications Report; Natural Heritage Report; Stage 1 Archaeological Assessment Report; Heritage Assessment Report; Noise Study Report; and Water Assessment Report.

Written copies of the draft supporting documents have been made available for public inspection since October 6, 2010 at the Haldimand County office in Cayuga at 45 Munsee Street North and on our website at <http://www.CanadianWindProposals.com>. Written copies will also be available for viewing at the public meetings.

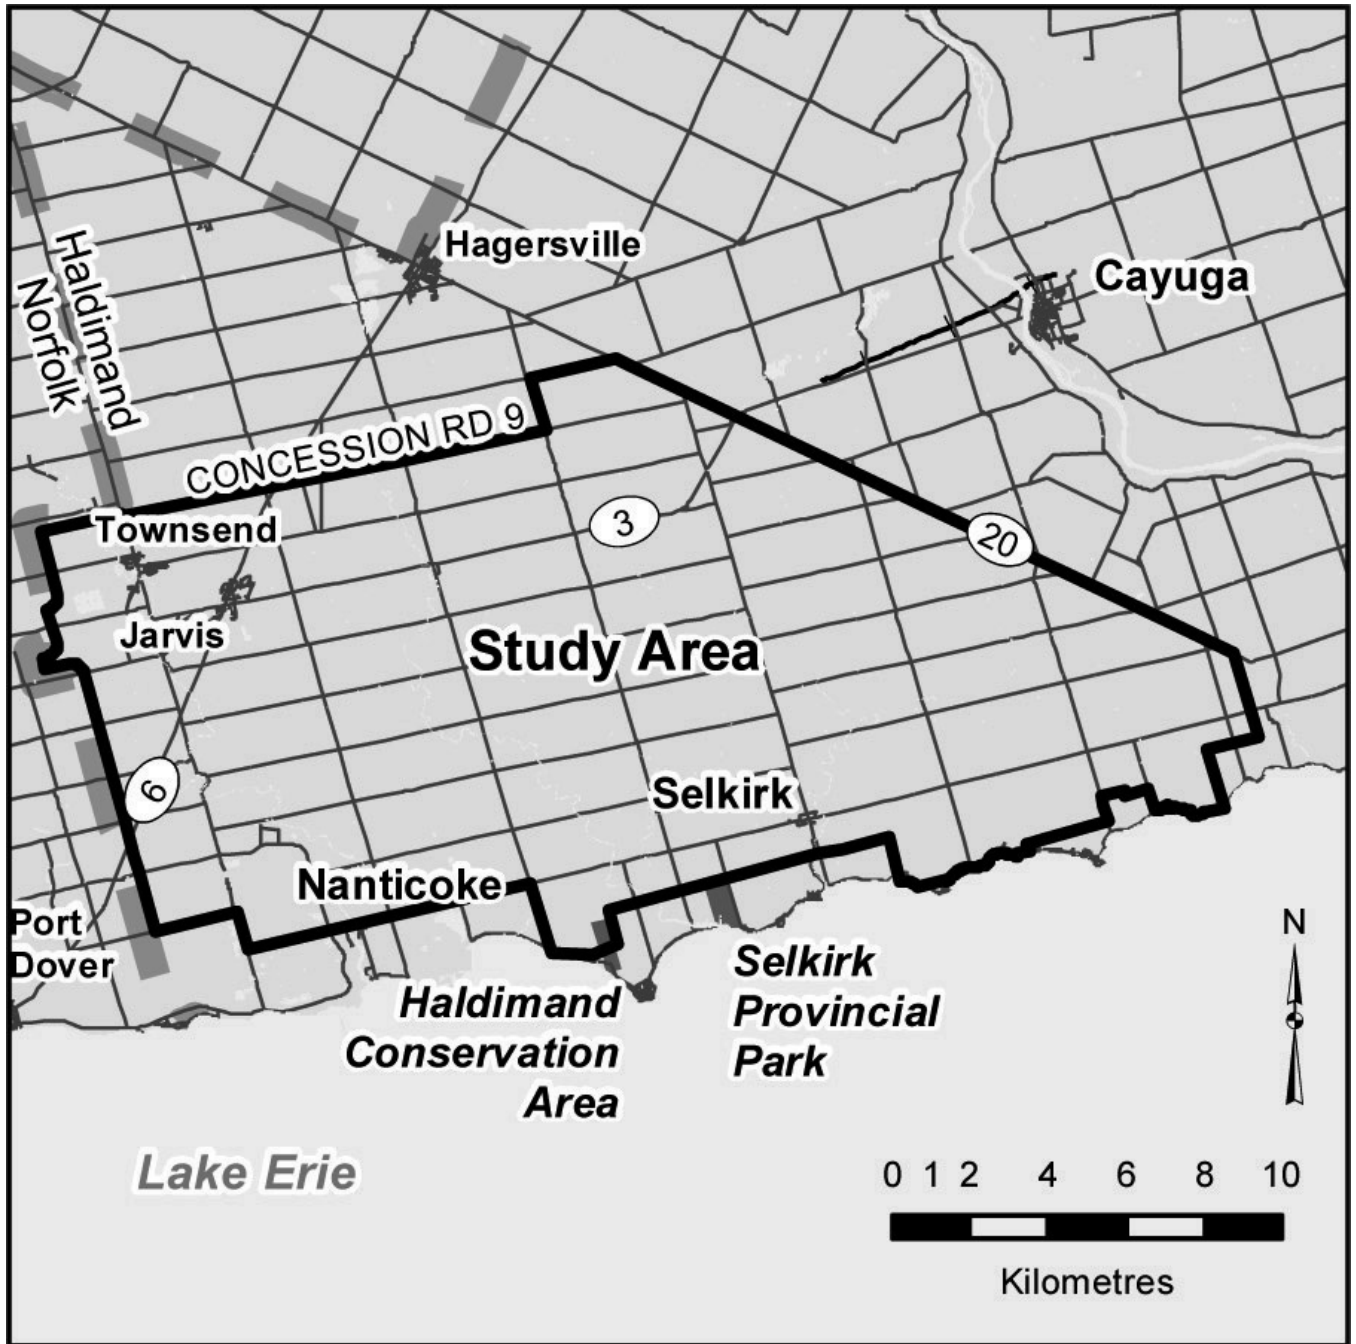

We welcome comments about our project at any time. Comments received on or before January 14th, 2011 will be included in our Public Consultation Addendum report to the Ministry of Environment. If you have comments after our January 10th public meeting, please contact us to arrange for your comments to be picked up.
